

REMARKS

After entry of the August 4, 2008 Amendment, entry of the present Amendment is respectfully requested. In particular, the ability of the claimed fuse attachment portions to accommodate both sizes of the claimed fuse is now clearly recited in the claims. Furthermore, Applicant has added new claims to more clearly define the claimed notch. All arguments presented in the August 4, 2008 Amendment are incorporated herein.

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
